## Minifigure Trail

### Task 1 - Little Explorers

20 local shops have a Minifigure hidden in their windows, can you find them all? Each Minifigure is holding something in it's hand, find what it is and let us know!

### Task 2 - Code Breakers

There are 8 special minifigures hidden among the 20. Each one is holding an item with a hidden letter clue. Follow the instructions (e.g. "5th letter of the item"), write down the letters, and then unscramble them to find a secret word.
